

Information Policy Employment Resources

SI Career Services has put together this resource to guide you in your job or internship search in the information policy field. Note that this resource is not comprehensive; there are numerous IPol resources available related to the nuances of the field that we could not include in this document. The purpose of this resource is to make you aware of some of the main resources available and to also provide you with gateways to resources that will provide you with further information for the field of your personal interest.

SI Careers is open to suggestions of additions or removals to this resource. If you would like an electronic version of this document, email your request to Kelly Kowatch at kkowatch@umich.edu
