Cognate Requirement
IEMP**

Requirements for cognate courses:

1. All students must satisfactorily complete one graduate-level course (minimum of 3 credits) outside SI; the course must be approved by the student's advisor.

Any student may meet this requirement by taking a graduate-level course in a UM School or Department other than SI.

Students who enter SI with an advanced degree or who were enrolled previously in a graduate degree program may meet this requirement with graduate-level courses taken at another university or in another School or Department at U of M. To be eligible, this course must not have been previously counted towards a degree.

And

2. Students in the Information Economics, Management & Policy must take either:
 - a. one graduate-level course in SI that counts toward the requirements for a specialization outside the student's area of study; or
 - b. one additional graduate-level cognate course in a School or Department other than SI. To be eligible, this course must not have been previously counted towards a degree. Graduate-level courses that could count toward a student's specialization cannot count as a cognate course.
3. All cognate courses must be approved by the student's advisor.

Students may take up to two graduate-level courses (6 credits) in a School or Department other than SI. One additional course (for a total maximum of three courses) outside SI is possible with approval by the advisor and the Associate Dean for Professional Programs.
