

Getting to the School of Information at the Leinweber Building

The University of Michigan School of Information (UMSI) is primarily located in the Leinweber Computer Science and Information Building on the University's North Campus in Ann Arbor. The school shares the Leinweber Building with Computer Science and Engineering (CSE).

Getting to UMSI from Detroit Metro Airport

Travel west on I-94 from the airport. Exit onto US-23 north. Exit and turn west toward Ann Arbor on Plymouth Road. Turn left at a traffic light onto Murfin Avenue. Turn left on Hayward Street and turn right into parking lot NC48, adjacent

to the Leinweber Building on the north. Enter the building. You will be on the third level. This is the *main entrance* to the school (see page 4).

Parking (see p. 2)

Accessible visitor parking is available in lot NC27, just south of the Leinweber Building. Enter this lot from Murfin Avenue, just south of Hayward Street. You will enter the building's south entrance, on the first level. Elevators are down the main hall. Additional nearby visitor parking is in lot NC48, with building entry on the third level. Visitor parking requires card-only payment using the

app [AimsMobilePay.com](https://www.aims-mobilepay.com).
