The SI Career Development Office has put together this resource to guide you in your job or internship search in the Human-Computer Interaction field. Note that this resource is not comprehensive; there are numerous Human-Computer Interaction resources available related to the nuances of the field that we could not include in this document. If you are aware of any resources that should be added to this list, please email them to si.careers@umich.edu

All links - plus many more! - are tagged on Delicious (www.delicious.com) under SI_HCI

**Job & Internship Sites**
- Boxes and Arrows [http://jobs.boxeasandarrows.com/jobs](http://jobs.boxeasandarrows.com/jobs)
- Usersnomics Jobs [http://jobs.usersnomics.com/a/jbb/find-jobs](http://jobs.usersnomics.com/a/jbb/find-jobs)

**Professional Organizations**
- ACM - Association for Computing Machinery [http://www.acm.org/](http://www.acm.org/)
  - ACM Career Resource Centre [http://jobcentre.acm.org/search.cfm](http://jobcentre.acm.org/search.cfm)
Potential Employers

All types of employers hire professionals with skills in human-computer interaction. This includes public and private corporations, non-profits, educational institutions, and various others. Be sure to check out your preferred organizations’ websites to find specific job postings related to your skills and interests.
