About this report

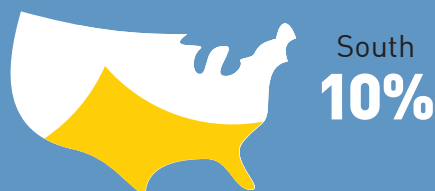

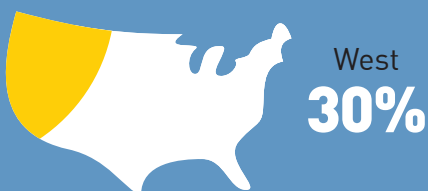

The University of Michigan School of Information (UMSI) Career Development Office surveys our graduates to identify their post-graduation plans and outcomes. This report summarizes UMSI first-destination outcomes from 2021 MSI graduates who completed the survey by the deadline or for whom a known outcome was reported in other ways. Of the 241 MSI students who graduated in 2021, 73% responded to the survey or reported their outcome in other ways.
